

The Barco Fit and FIT4All™

Barco has always understood the importance of flexibility, movement and comfort. That's why we're known for the "Barco Fit," an approach to design and sizing, perfected over time, that ensures your uniform always fits and flatters.

Now we've taken FIT – Form Inspired Tailoring – to a whole new level with the addition of FIT4All™, an extension of our commitment to truly proportional design that delivers exceptional fit to every body shape – from sizes smaller than extra small and larger than extra large, to the full range of petites from XXSP to 2XLP.
